Dear Jay:

I found two pictures - one of Ann alone and one of Lucille & I. Tell Dr. Green I want them back - It's the only ones I have -

Weather is good. In fact couldn't be better. But feel like the old saying "all dressed up & no where to go." we don't have money to go very far it seems. The Relief Society has brought in any food lately so it necessitates us buying our own - But I need to lose 50 lbs - so I am starting now to quit eating so much. May be I'll be like the old colored guy who said just when he got his family to do without eating they all up & died.

Will stop for now -  
Love Ariel
